

Synergizer 2

Detergent Booster for OMS Solvents

Description:

Synergizer 2 is a detergent booster for OMS (odorless mineral spirits) solvents. It is safe to use on all fabrics when properly pre-tested. Use Synergizer 2 with hand-cleaning methods or solvent-approved extractors. This product will not cause wrinkles, shrinkage, or water stains, and contains no chlorinated solvents.

Directions:

Easy to use - Mix 4 ounces of Synergizer 2 with 1 gallon of OMS (Odorless Mineral Spirits) solution, pour into clean solution tank of a solvent compatible dry cleaning machine. One gallon of concentrate makes 33 gallons of ready-to-use.

Helpful Hint - To recycle solution, remove waste from recovery tank, pour through filter material into large mouth container, close tightly. Allow to settle long enough for sediment to accumulate in bottom. Carefully pour reusable solution through filter material into a clean container or clean solution tank.

Product Specifications:

Ingredients:

Odorless Mineral Spirits (CAS 64742-48-9), D'Limonene (CAS 5989-27-5), 1-Butoxy- 2-Propanol (CAS 5131-66-8), Ethanol (CAS 64-17-5), Sodium Laureth Sulfate (CAS 9004-82-4)

- PH:** NA
- Coverage:** Varies on application and soiling conditions
- Fragrance:** Orange Solvent
- Appearance:** Clear, colorless liquid
